“ *Brian, my thoughts are with you and your family at this sad time. I know your Dad has had health issues since I first knew you, but facing his loss will be hard for you all. Please know I am thinking about you.*

“ *George was my dear brother in The Lord. I am saddened at his early departure, but rejoice with him, for he is now with his Lord Jesus whom he loved with all his heart.*

“ *Rev. George Davis Family:*

Because of the weather and my age, I cannot come to visitation but, I want the family to know of my friendship and that of family members of the Lebanon United Methodist Church where he once served.

Feast on the memories of your Dad.

“What a great guy. I met George through the Emmaus community and wow how my life was changed. George and I would have many discussions and he always took time out to speak with me. George was one of those guys that always made you feel good after a discussion and he always ended our conversations with “I love you brother”. George was one of those guys that truly had compassion for other people. He not only talked about it, he walked the walk. I’m going to miss you George; however, I am a better person for just knowing you. I love you brother!

“At just the correct time George and I met. We become very good friends. For years we would get together on Friday and set out to see a movie & diner together. I’m a better person today because of so much he taught me. He will be missed but I know he is home with his father. :)

“Pastor Davis (PD) was one of the most devoted Christians we have ever had the privilege to know. He was our minister during his time at Radcliff Methodist, and continued to pray for us and minister to us by demonstrating this total faith in God by his words and actions. Even though he was afflicted with many health issues, he still praised God daily for his life and the people surrounding him. He burst with pride when talking about his boys, and he was really looking forward to the grandbaby on the way. He was certainly a “Job” in character and in love for the Lord. Now he can rest in peace and in God’s promised Glory.

“*Brother George welcomed us with open arms to our new Emmaus Community upon relocating from Western NC in 2006. It was our first gathering and he lit up the room with his joy and natural authentic way of making us feel comfortable and right at home.*

His Spiritual leadership and character is a testimony to this worthy man who served wholeheartedly and willingly.

George you have inspired so many of us and we can only hope to serve with a heart that's on fire for the Lord just like you!

To his family, we know you are missing him here on this earth and have some incredible memories to cherish---but you know this man of God is surely dancing with the angels and having the best Emmaus walk ever right now! Love, prayers, and peace to you all!
