“ *Michael--I have so many fond memories of your grandfather, grandmother, mother, and you from my father's medical practice, trips to Ft. Knox for groceries, etc. Your grandparents were favorite patients of Dad's and I recall your playing poker on the office computer-much to your mother's distress. I know this is a sad day for you and that you will have much to do in the near future. I will send a card later. Is Emma still with you--she'll be sad, too. Your grandfather was a good man and will be dearly missed. Thoughts & prayers for you & yours. Lee Dame*
