“ I will always remember and chersh the time that Darlene and Paul had a credit union weekend meeting in Lexington. Of course GL and I had nothing to do while they were in their meeting, so we went shopping. I have never had such fun shopping in my life. We had many laughs about that weekend. I love both of them, and just knowing he isn't with us anymore makes me so sad. Darlene, I can certainly feel for you and understand how you feel. When Paul passed, I thought my life was over, but I had all these kids who still needed me, so I picked myself up as well as I could and went on. You will too. Love you girl. Carol

“ My name is Diane (Vogt) Shahroudi, and I went to High School with Tammi. I remember pretty clearly the first time I met George. I had stopped by the Stoddard house with Tammi to grab some clothes after school. I can't remember the full conversation, but I do recall him offering me dinner! And he was super friendly to me! He made me feel comfortable in his home!  
After many years of friendship with Tammi, and numerous visits to her families house, I felt like one of their own!!  
George was a good man! So sorry for your loss! And Tammi, I miss you so!!

“ Prayers for all of the family. GL was an unforgettable person. I remember all the ball games, time with family and the good times we had. I'll never forget the chocolate truck that GL, Tom and I "cleaned out". We will miss him. I know he is up in heaven looking down on us!
