“ Grandpa George was an incredible man who loved his grand children very much. My fondest memories of Grandpa were from Kentucky Lake, where my brother and I spent many summers riding in his boat and especially riding in his golf cart. I'll never forget those days. As time passed and I got older, I didn't get to spend as much time with Grandpa as I would have liked, but the time I did spend with him there was never a dull moment. Even in his last days he still had a loving spirit and always asked how life was treating me. That was Grandpa; always thinking of others. Rest in peace Grandpa. We will miss you greatly.
