“ Prayers to the family, and friends of Kobby what a great Police Officer he was. We hired on about the same time, went to police School together rode in the same District, and were in the same shootout. He was a kind and gentle man when you allowed him to be. He had more nerve than most, and would die for you. As we mourn his loss let us give thanks that he lived for this world is a better place for it. I cannot attend his funeral for I am in Afghanistan but I will send two Louisville Firefighters and one Louisville police Officer in my place. (My sons) RIP Kobby
