“ I just want the Nord family to know that Gil was the kind of person we should all want to be more like. He did so many things to elevate the esteem of the children and people he shared his time with. He always made me feel so good about myself and as great as he was he seemed to put others before himself. I shared some memories with my father today talking about my first set of football equipment that Gil gave to me. He loved and is loved by so many and I wish all of you peace during your time of loss.

Sincerely, JB Sipes

“ I was so sorry to hear of Gil's passing. I have many good memories of great times with the Nords. I can remember how he would sit at the lake and literally clean and fillet those little blue fish for us to eat. He was such a good family man and I loved seeing his love for Betty. My thoughts and prayers are with all of you.
