“ So sorry for the loss of our friend Gilbert. I have known Gil' for almost fifty years and have many good memories of the times with him.

I remember the trips to various motorcycle events. Especially the National Championship Hill Climbs at Muskegeon, Michigan. I had ridden up there alone, or so I thought, until someone roused me from my sleeping bag the morning of the event. It was my friend Gilbert! We enjoyed the day together and Gil' loaned me some money to get back to Louisville. He could always be counted on. A great guy, and traveling companion. If anyone had a problem with their bike he could fix it, as he was an excellent mechanic. We all will miss Gil' and never forget him.

“ You will always have a place in my heart. And, I will always hold the memories we shared close. Your journey was a long and hard one. As I sat with you as you crossed over to heavens gates, I will always see that smile as you took your last breath, I knew then that you had made your way into the arms of your family waiting for you. It was you that gave me my frist Harley ride, Even if I was just a kid, It was awesome, Sure did hook me. You will sadly be missed. R.I.P. BIG GUY

“ I will always hold your memory in my heart. Your journey has been a long and hard one. I feel so blessed to have been sitting with you as you made your cross over to heaven's gate. I know that heaven has another angel. Thanks for all the memories and most of all thanks for my very frist Harley ride. You and Dink will walk and talk about all the things that have happened over the years and the stories that will be told. You will sadly be missed.
