“ Marie, I can't even put into words what you meant to us. I loved you as if you were my very own grandmother. You and paps were always there for us. I knew I could always count on you to be there for me. I wish I could hear your voice and see that beautiful smile of yours. I know you are looking down on us and you will always be in our hearts forever! We will be together again and that will be for eternity! Love you!
