“ Gracie, you raised a good family. You were there for your grandchildren and great grandchildren. Losing your husband robbed you of his love and losing Steve what heartbreaking. Rest in peace. Your daughter in law Catherine 🌹

“ My Sweet Wonderful Granny,

I am so that'll for you & all the things you did for us growing up. Making a trip what felt like every other weekend of years to the country just to pick us up for the weekend to spend time with you and dad and aunt Kathy and uncle David. I remember all the times we'd go through "Eat Eat Donald's" and the hot and ready pizzas. I'll never forget the stories you would tell me every single night when you tucked me into bed. The adventures we'd go on when you'd take us to the park by the river.

I'm so happy I got to grow up knowing and love you so very much. And I'm even more grateful Ashton gets to have his own special memories with you as well. Always and forever in my heart. Please watch over us with papaw up there. XOXO
