“ Greg was one of the most intelligent people I have ever had the privilege of knowing. We Shared our love of music and travel in many conversations and often he would inject a bit of humor. We will miss Greg! He was a great person to know and work with.

“ I wanted you to know how much we loved Greg at KICC. He was outstanding at his job and was a beloved co-worker. He was an upstanding man and funny as heck! He loved his friends, dogs and new farm. We are all grieving our loss.
