“ Aunt Clara,

*I know we have never met but I am very sorry for your loss. Eric talked about you both frequently when we would talk about the house in Michigan or the first times Eric road a snowmobile. I also heard a lot about you and Uncle Grover from Grandma & Grandpa Rohr. I wish Leon and I could have met Uncle Grover before he passed. We will try to come down to meet you soon! Our deepest thoughts and prayers for you and your family.*

*Love,

“ Aunt Clara I want to send my love and thoughts to you and your family while im deployed in Afghanistan right now. I can't remember the first time I met you both but since I was a little boy I always looked up to Uncle Grover and my grandpa. I know how special their friendship was since I now have friends like that since I have joined the army. I wish I was home to be there but I know I have someone else watching me from above now. I love you all and my prayers are with you always.
