“ *GT was a beautiful person. I had the honor of sitting and talking with him on August 9th at the funeral of his beloved uncle Gene where he expressed to me his unending love for Maddie and Everett. Satan has no victory here over GT as he is a child of God and is now in Heaven with his heavenly Father forever. Thank you Lord for sparing GT from any other harm on this earth and for watching over Maddie and Everett. In Jesus' name, I pray. Amen.*
