“ Our hearts go out to you in this time of confusion, hurt, and wonder. Having lost our newborn earlier this year, we know not what you feel but we have an idea. Continue to be strong at this moment and know that all things are accomplished through Jesus Christ, even dealing with the pain that has been brought on your family. You are forever in our prayers.

“ Eugene, Lisa, Ron and family - there are no words to express my heart felt feelings. My prayers are with you all. You only had Hannah a short time here on Earth - But God did bless you with that time before taking her home. Cherish the time and memories you have - sometimes that is all we have to get us through the day. May God Bless you and be with you all. Love, Veronica

“ To lose a loved one is hard, to lose a child is even harder, I know because I also lost a child, and while we don't know the exact thing to say to comfort you, we want you to know how sorry we were to hear of your loss. I know there are no answers right now, only questions, but this is when you reach out to God and gain strength from Him. Our prayers are with you. Please extend our sympathies to Billy and the rest of the family.

“ Their is nothing greater than a bond between a parent and a child. Take comfort in knowing that you now have a special guardian angel to watch over you and your family. If their is anything you need or anything that we can possibly do for you do not hesitate to call. We love you guys Mary Randy and girls.
