“ Harold was truly a very gifted musician. I had the great honor of being Harold's last "LIVE" drummer. I was 'Rich Stevens' on stage. I kind of felt honored that Harold said that he would not be able to replace me with another drummer, so he got an electric one. Don't think that was true but it was nice of him to say.

I would stop by his home in Louisville when ever I was in the area. I will miss him. Like I said he was a great musician, and if it is true, "IF THERE'S A ROCK AND ROLL HEAVEN" he will be very welcome.

Rest easy and without any more pain. GOD BLESS!!

“ Harold was truly one of a kind! I played a game of chess last night in memory of you. Memories flooded in last evening and will last forever. May you rest easy now, my old friend. God bless you!

“ I was honored to be able to share 13 years of musical memories with Harold as part of "Raintree"....with Rich Beighley and Harold. Harold was so talented on so many levels. He played multiple instruments by ear, and. could transpose keys on the spot! His singing and vocal impressions filled many audiences with smiles and happy times. He had a good heart and soul. Very sad to learn of his passing, but he is now free and beginning a new and beautiful new chapter of his life. My heartfelt thanks to David Gilbert, for his caring phone conversations, and much love and sympathy to all those who knew and loved Harold.
