“ I have been so blessed to have had my Dad in my personal and professional life. We had the privilege as Father and Son of serving our community on the Shively Police Department for 20+years together. You will be missed but will always be in my heart. My heartfelt thanks to his wife Barbara for the wonderful care, devotion and love she had for my father throughout the years.

“ Although I did not get the pleasure of knowing Mr. Harold Pait, I have worked with his son Ray Pait for quite a few years and also his grandson Brian for a short period of time. Knowing Ray, I also know that his father must have been very special to have raised such a great kid. Rest in peace.
