“ *It sure sounds like Mr.Campbell was a very nice and well respected man. Although we didn't know him personally, we do know some of the family. Jim and Judy Frost are very nice and well respected folks and hold a special place in our hearts. We thank you for sharing them with us.*

Even at advanced ages like 93, I suppose we never get ready to let folks that we love and care about go. We pray God will comfort you as only He can.
