“ Danny, All of my early 20's remind me of you. Your smile lite up a room. You had the biggest heart, and I still remember you helping me paint at my aunts, and all of shopping days at dillard's to find our fits for the cowboy. Panama spring break when Kayla made you a cig muffin cake for your birthday. You had the biggest heart. You would give the shirt off back. I'm grateful for our time together, and the memories we have shared. I can't count how many talks we had on life . My heart is broken to hear this news. You will be missed.
