“ *Divine Peace Bouquet was purchased for the family of Harry Heistand Edwards.*

“ *Harry and Jessie have known me since the day my parents brought me home from the hospital. They were not only my neighbors but they were part of my extended family. My great grandma was cousins with Jessie. Harry and Jessie would always be so sweet and kind when I would come over. After Jessie passed I would still see Harry sitting on the porch watching folks go by. If he was sitting outside I would always honk and wave at him. Then once he got wheelchair bound and would sit at the door I would still wave even if he might not realize it was me. He will be greatly missed and know that we are praying for the rest of the family.*
