“ *I had the pleasure of working with Tony at Kentucky Trailer. Every time I saw him, all he could talk about was softball and the grandkids. He was SO proud of them and loved going to watch the games. The world has lost a good one & I am so sorry for your loss.*

“ I have known Tony for several years. He was a great friend and a devoted “Grandfather”! His granddaughter Brianna played with my granddaughter Rylee on a team at Prairie Village. They both played on separate club teams and I would see Tony on the tournament circuit several times and would always talk. He would not miss a game. He was always friendly and never talked bad about anyone. Tony will be terribly missed by everyone. So sorry for your loss. Respectfully, Larry Shepherd
