“ Condolences to Harry's family. He was always a kind and humorous man. I had the pleasure of working with him at Thorn Apple Valley and later at Penske as well. He always treated his guys with dignity and respect and let's us have some fun too. The world has surely lost a good man.

“ Dad, you were the most amazing man I have ever known. You were the first guy I ever loved. You always made me laugh with your made up jokes and songs. You always had my back and always no matter what I got myself in to or what I did you always caught me before I fell. I don't know what I am going to do without you. And I will miss you ALWAYS BEING RIGHT. I LOVE U DAD. One of your free spirit baby girls, Carrie Ellen.

“ I enjoyed working for Harry at Penske. He always took time to talk to all of us. One day he had just purchased a new motorcycle and stopped by work to show it to us and offered to let us take it for a ride. That was just the type of person he was. Sympathy to all of the family, I know he will be greatly missed.

“ To the West Family,

My deepest condolences on the loss of Harry.

I had the sincere pleasure of working with Harry as part of the Penske Midwest Area Team for many years. He was a great leader, great friend and always brought joy and laughter to our daily lives. Harry was such a giant, physical presence....but the kindest guy with the biggest heart.

I will miss "Big Daddy" West. Seeing that smile on his face and sharing some laughs over the occasional Jack and Coke was the best. I am truly honored to have crossed paths with this great man.

God Bless,
