“ I am going to miss my sister! Talking to her on the phone and seeing how her day went. She would always give me a bit of advice on how to make dishes among other things. She fought a hard fight and would text me back when I would text her even when she could barely get the strength to do so. She was a very thoughtful sister. I remember so many cute things she did when she was a child at home. I have a lot of good memories of her and I loved her to the bottom of my heart. Rest In Peace sweet sister.

“ I am so sorry to hear about Hazel's passing. She was a long time friend of mine. We started working together in the traffic dept at Belknap Hardware in 1975 and have been good friends ever since. She was a good Christian lady that cared about everyone. I will miss her and her stories.  
My heart goes out to her and her family.
