“ *Jim,*

My thoughts and prayers are with you and the kids. Heather was a wonderful person and will always now be looking down on you and the kids. If you ever need anything, even if it's just to come over and go horseback riding to get away for a while, just let me know.

“ *Dear Jim, Allison and Tyler,*

I worked with Heather, your Mom, over the years, when she was at DWA and Louisville Underlayment. With out a doubt, she was one the kindest people that I have ever dealt with. She talked about her family, constantly...all of you. I saw pictures of you kids as you grew up. She never tired of bragging about and loving you all. I know that she will be sorely missed in your family but she will also be sadly missed by me. I considered her my friend.
