“ *Shitty ladie. Denied my existence for 18 yrs. Then when I didnt jump up and down with excitement cause I had been hurt and confused. She and her husband denied me again. Then when her mother died, who was my best friend and the only person in that family that had anything to do with me. She didnt tell me untill the day before the funeral. Didnt tell me when my father passed either. Hateful shitty woman I kope you all are burning in agony*

“ A finer person you would ever meet was Ms. Adkins. She was funny, and spoke her mind which made her even more unique. She will truly be missed by us all. God has gathered one of his jewels and the world will be a sadder place without her.

“ Aunt Carol was a fun loving person. I admired her way Of encouragement to no matter what was going on, she found a positive outlook and told us we'd be alright. She was there if you needed her when we was young. I miss the camping trips we all had and swimming. A lot of good times. Thanks for including me in your home sometimes and got a chance to really have fun with my cousins. I love you and hope to see you some sweet day. Love, Jan Stanaland
