“ When I think about the McMillen’s, I think about family. A beautiful loving family. When Mr. & Mrs. Mcmillen came to our community I remember being so excited to have a couple to join us. It brought so much joy to see them love each other. Mrs. Helen always talked about her children, grandchildren, & great grandchildren. Her eyes will lighten up as she will tell about them! She was always about her family and made me one of them! She gives the best hugs and was always so pleasant. The woman that I know isn’t just a wife, a mother, & a grandmother. She was a person that is genuine to everyone she meets. Having her in our community after Mr. Mcmillen passed was a blessing. To continue to be there for her and with her was a blessing. You were so strong and such an amazing wife that I inspired to be! The love that your children shows you tells me what kind of mother you were! Rest in Paradise Mom! I love you.

PS: I’m graduating in December! & I knew you would be so proud as you are always checking in on me with school. ❤️❤️❤️
