“ Aunt Helen Iris, I just wanted you to know that you are still loved and missed by all of us on this earth. You were such a wonderful person! I loved all of our laughs. I love you! Still miss you! I hope you're up there with Mom , Joyce and Janet. Hopefully keeping Uncle Roy in line ☐ I remember all of the times we would all get together and eat breakfast together when I was a child. You were always my favorite Aunt on my Dad's side of the family! You were an Angel on this earth, so please keep an eye on us still. Love you!  
Your niece,
