“ *Dear Jackie and family*

Sending my love. I was so shocked but know Bud was so brave during many medical issues. He achieved accolades well beyond our early days with Sister Margaret Ann!

You know that Bud iwas such a pillar in my pharmacy career and felt like he was just family over the many years.

I am at Barkley Lake or I would have been there. We came last Wednesday for a week with my sister and her husband visiting from California.

You are a brave wonderful lady that I have always admired. I grieve that you are alone.
