“ We are devastated to learn of Hank's passing. When he didn't call to wish me(Doris)a happy birthday, I tried to find him on the internet and discovered his obituary. He never missed calling on birthdays and at Christmas.

We considered Hank and Ann family.

We became fast friends in 1975 while bowling on the same team.

For 20 years, we were a daily part of each others' lives. We loved each other very much.

After we retired to Mississippi, we stayed in touch.

We are sad to have missed the funeral, we just didn't know. It is a great comfort to know he passed peacefully surrounded by his loved ones.

He was a supremely generous and kind man.

we miss our friend.
