“ Brother Holland Warren was a godly man who will be missed, his light will now shine in heaven as it did here on earth. His time of teaching Sunday school to all the young people can only be told by those he touched. There will be many who will testify to his love for God and people. I will see you again later, and we will rejoice with all our brothers and sisters in Christ who have gone on before us. Prayers, love and hugs to the family.
