“ I found out today (9/19) that my Uncle Homer passed away and obviously too late in time to attend the funeral. I have many fond memories of my Uncle and my Dad hanging out together as brothers commonly do... from time to time I look back and recall how well these brothers got along and I believe they are once again united up above and watching over us all. My condolences to John, Ron, and Susie... to my cousins, I'll be keeping each in my thoughts and prayers.

“ Did not know of his passing until Sunday night I loved my Uncle Homer and will miss him but can not forget him He gave some of his machinist tools and every day I use them and think of him evrytime I touch his tools. I can only think about what he and dad are talking about now.
Love always
Jimmy

“ My sister Diane called me this weekend to tell me about Uncle Homer's death. My sincere condolences to his family. My favorite memory of him was when I was poor and pregnant with my 1st child living with my mother-in-law on top of a bar, he brought me many small needed gifts such as silverware, baby clothes, etc. He so enjoyed being with people and especially children. He had such a big giving heart that we all could learn from! I was very proud he was my uncle! Kathy (James daughter), Wichita, KS
