“ I don't know if you remember me or not but I am Wilma Martins daughter. Mama and Howard were first cousins and I know how much she loved and respected him. His sister, Gladys, was so close to us and we got to spend time with Howard and the rest of the family over at Aunt Pearls house a lot. I was shocked to hear of his passing and just wanted to say I'm sorry for your loss. I have many good memories. I just learned of his death today.

“ At Naval Ordnance, Howard and I were often either allied on the same issues or opponents on them. I admired Howard's honesty and integrity and enjoyed working with him. Men of his strong character are few.

The last time I saw Howard was December 2010 when we were both awaiting treatment at the CBC Group. From our conversation, I know Howard had a difficult time with his illness.

I offer my condolences to his wife and family. While I will miss him, no one will miss more than those who were close to him
