“ *When I first started in the Electrical field at Paulin Electric, I was put on Hubert's truck. I have always been Grateful for that because He took the time to teach me the basics. Just as important, We became and stayed Great Friends for the rest of our time working there. It was always great to run into him here and there and just talk and cut up. Thanks Hubie, I know You will be missed by Family and Friends. Rest in Peace My Friend. Rick Dorsey*
