“ Dr. Jones, a dear, sweet, kind Christian man, was our dentist until he retired.  
Never was there a complaint from any member of our family, from the youngest to the oldest, about any procedure he ever performed for us, and no one ever dreaded "going to the dentist!". He was gentle, thoughtful, considerate and genuinely interested in each of his patients. Dr. Jones and his lovely wife, Gail were fellow church members all these years, and were loved by all. He will be sorely missed by many, many people in this community. To Gail, Jennifer, and Linda, our deepest sympathy goes out to you in the passing of your dear one from this earthly life. Thank God for the hope that we have in Christ Jesus, for we all know that your husband/father is now in that promised place of rest and peace, love and joy, with our Heavenly Father. We shall see him again!!! May the LORD bless you with His peace which passes all understanding during this sad time. With His love, Bob and Martha Lamkin

“ Dr. J. R. Jones was my Sunday School teacher beginning in the mid 80s at Valley View Baptist Church. He was a wonderful teacher and a compassionate, kind man. I am sure he was welcomed to Heaven with a “well done good and faithful servant”.

“ I had the great pleasure of knowing Dr Jones as he owned the building where I formerly practiced Endodontics. He was definitely a father figure to me and always checked in on us regularly to make sure everything with the roof, HVAC and anything else was in top working order. JR was a wonderful man with a sparkle for life in his eye that is unforgettable. God bless his beautiful family and give them comfort in the days ahead. With love, Dr. Leslie Malueg

“ Dr Jones was my dentist for years. I also knew him from Valley view Baptist Church. I grew up with his daughters. A wonderful family and person.
