“ Roberts Family,

I am so sorry for your loss. Mr. Roberts had a very positive and meaningful impact on me growing up. He was always joking with Wayne and I while driving us to school or anywhere else. He was so engaging and full of smack he kept is on our toes at all times. Those are great lasting memories that will live on forever.

I wish I could be there with you this week, but I am traveling for work tomorrow and will be out of town all week. You are in my thoughts and prayers and I'm sure Mr Roberts is in heaven smiling at us now. I wish your family the best during this difficult time. I hope we can connect and spend some time together under different circumstances soon.

“ We had the pleasure of spending many winters in Destin, FL with Jack and Carol. We developed a special friendship and Jack will be greatly missed.

I have this feeling there's one more star up in the sky tonight. And even though it's far away, its brightness and warmth still reach us here to make the night a little less dark.

Tonight, when you look up, don't think of them as stars. Think of them as porch lights, welcoming Jack safely home.

Sending you thoughts of peace during your time of sorrow.

With Our Deepest Sympathy, Barbara and Martin
