“ Jacy girl, I didn't know no one told me. Well I always loved you, you knew that. From the bratty little kid to the strong woman you became. I am sad I didn't know & didn't get to say goodbye but I am also happy for you. Now you get to walk with GOD and be whole again no more pain. I will miss you but will smile everytime I think of you for you have been blessed beyond measure.
