“You will lose someone you can't live without, and your heart will be badly broken, and the bad news is that you never completely get over the loss of your beloved. But this is also the good news. They live forever in your broken heart that doesn't seal back up. And you come through., It's like having a broken leg that never heals perfectly - that still hurts when the weather gets cold, but you learn to dance with the limp.”-A.L. My thoughts and prayers are with all who loved Greg. He was just so sweet when I knew him back when we were barely teenagers and I can tell, from all of the kind comments, that he stayed that way into adulthood. Sending hugs from Texas.
