May all your great memories of your Father/Grandfather comfort you during this time of sorrow. I always thought of him as part of my family and will miss him dearly, as I know each of you will also. What a celebration there must be in Heaven as he joins with those that have passed before him! What a rejoiceful day when we will all meet again.

*Much love to all of you,
Susie and Greg Spleet*

“ *I was so shocked to hear about my brother's death. The last time I talked to him, he said his life was right with God and he was ready whenever his time come. That makes me feel better about his passing, knowing he is in a better place. I love you Jimmy.*
