“ Uncle Jim, our thoughts are with you and your family as you grieve the loss of your father, and celebrate his life. We know how much you loved him, and how much you have struggled with his deteriorating health the past couple of years. He was a remarkable man, lived a full life the way he wanted to, and he suffers no more....may you find comfort in that. Stay strong, we are here for you if there is anything at all we can do to make this time any easier on you.
