“ There's so much to say about Joey, where do u begin. He was one of the sweetest men I knew. He would literally give u the shirt off his back. He was the true embodiment of a Mason and a Shriner. He will definitely b missed by our family knowing him some 40 something years. We love you Joey n hope to see u again someday!!!!

“ Dear Jim & Marilyn,

We are so sad to hear about Joey. He was a great person and a good friend. Kosair and the Kosair family will not be the same without him. Please share our blessings to both of you and Donna and family.
