“Daddy, I love you very much, and I miss you so much that I can't stand it. You're my best friend and you've been the best father figure in the lives of Beppy and Banna, and I want to thank you for that. I wish that I would've told you the cute little jokes you liked at least one more time, and I wish that I would've been there with you when I wasn't.

I love you daddy, you're the best man that's ever lived, and you have and always will pale in comparison to any other man in this world.

“James was a really great man he lived a long and very interesting life. I enjoyed listening to his stories of his childhood and time in the Military. James was really like a father to me. My heart goes out to all of the family. I know that you miss "Pap" and so do I.
