“ James and I planed basketball together. I trained him as a lifeguard at the University of Louisville. He was a kind and gentle man. We went to Myrtle Beach one spring break. The water was very cold. We went on a ghost run in a carriage

“ I remember going to James mom's house ever other weekend, and playing the arcade game he had. Also we would watch Beavis and Butthead all night. All the times we went to Tyler park together. I'm going to miss you my friend.
