

James "Jim" Stanley Baugh

August 23, 1964 - October 25, 2024

It is with great sadness that the family of Jim announce his passing Friday the 25th of October 2024. Just turning 60, he was in so much pain, he was ready to join his father and girlfriend in heaven. He would say "I just want to go up." "I'm ready".

Jim is survived by his children & families, grandchildren, Mother, 2 sisters and families, and brother and family.

Jim will be missed, but to know he went in peace and no pain...that is better than seeing him suffer.
