“ Mary, Ray, Wendell and David my thoughts and prayers are with you during this difficult time. I have so many good memories of Cletus growing up since we only lived just a street over. He loved playing shuffleboard at the VFW to Yahtzee with mom and dad and loved his Nascar.

Cletus was one of the sweetest most caring men that I have ever met and will be missed by many.

Cherish the memories and the love that he had for his entire family. Heaven gained an angel.
