“ Dear Donna and family,  
My thoughts and prayers are with you all. I can't believe one year ago at the same time my mother passed away and I was so happy to see you both at the funeral home. I remember hugging Jim and congratulating him on the good news that his cancer was in remission. Jim was such a wonderful man and always so nice to me and my boys. Mom Loved you both very much. I know Jim is looking down from heaven watching over us. If you would ever like to talk or need anything please call me Donna. You both were the nicest people that I knew at church.
