“ *My heartfelt Condolences to the entire Muench family. When I think of Jim I smile, because I was so lucky to have ever met such a wonderful person. That's what gives me comfort at this time. God brought him into my life, to make my life brighter, and for that I'm grateful. Jim always found the good in everyone he brought out the best in everyone. He being the wonderful person he was, made you want to be a better person. And when the Muench brothers play their Music you forget all your troubles, and just go to a happy place. That's where He's at now, a Happy Place doing what he loves to do, Playing beautiful Music! You will Forever be in my heart!*
