“ Uncle Jim taught me how to hunt rabbit, squirrel, quail. He also
gave me my first gun. I loved him and I am going to miss him dearly.

“ *My favorite moment with Uncle Jim was at our last family reunion at Danny's. Everyone was getting ready to leave and I hugged him and said "I love you Uncle Jim", and he said " I love you too". Plus so many childhood memories I cherish but those words are engraved on my heart.*
