“ I'll always smile when I remember Uncle Jimmy. He was a loving, kind, and generous man who welcomed fellowship with open arms. God has blessed me in knowing him and I look forward to "seeing him later".

My name is Pam McQuillen, Jim became my second father after my mother Mary Ruth Stice meet and Married him. My mother was very lucky to have met Jim. They fell in love and she married him. I was very happy for her. She was very sad when my biological father passed away, and when Jim came into her life, she became happy again. I was blessed with loving parents. I was lucky to have a mother that loved me and raised me with love and kindness. Plus I had two Very Special fathers that loved and raised me with love and kindness. I thank God that he placed my 3 parents in my life.
