“ Jim was a neighbor of mine when I lived in Windsor Lakes and was always helpful in time of need. We socialized on several occasions when I was married to Sonny. I was sorry to hear about his passing and my sincere sympathy.

“ Tonyia, we are sorry for your loose and you and your family are in our prayers. I have only know the two of you for a couple years and it was always delightful to see both of you at the monthly association meetings, which seems like that was the only time we spoke. Keep the memories of Jim close to heart and it will give you strength to get through this trying time.
