“ Oh how I will miss that voice and spirit. My husband and I would visit her sometimes when she was ill. We would go to lift her spirits, but instead she would lift ours. She had a way of looking at the sunny side of life even when her days were cloudy and full of pain. It was her faith in God that kept her sunny and now she is spending eternity with the SON. Be Blessed my Sister!!

“ Janet's passing has left a hole in our family that can never be filled. Words can not describe what she meant to me and my family. She was a huge part of every family function, holiday's, birthday's, weddings, and funerals. Christmas especially, will never be the same, as she was the centerpoint of Christmas for our family. She took her time with every single present, and cherished every gift, especially her baby dolls. Our hearts are truly broken. But we know that she is in a better place with Jesus, who she loved so dearly. Give Grandma Grace and Granddaddy a kiss for me Sis. I bet they were so glad to see you. Don't be getting Grandpa into any trouble up there...Lol. I know one day we will see each other again. Rest in peace Sis. You were loved and cherished beyond measure. Thank you for allowing us to "adopt" you for as many years as you did. Our hearts we're so full of love because of you. Your presence will be so deeply missed by us, and by everyone who knew you.

*Love Always,*

*Your sister Jaime*
