“ I met Janet on Gerald ct, in Louisville KY. She was very strong and loved the Lord despite of what was going on in her body. Janet loved people, children and her dog, and would literally help anybody if she had it. I prayed for her, declaring God's word over her, and kept in touch even after I moved to GA.
I googled her 4*12*19 and discovered my girl had passed on to be the Creator again.
To be absent from the body is to be present with Christ.
Love and peace my friend Janet....
