“ *Wayne, Matt, & Jennifer, we are so sorry to hear about Jan. We have been friends for many, many years. I remember some really good times we all had together. Softball games, come to mind. I know I have already said this, but I believe that Jan was the kindest, nicest, and most soft spoken person I ever met. Just know that George & I are sending many prayers, many hugs, many kisses, and a whole lot of love your way. She was an Angel on earth & now an Angel in heaven. Sincere sympathies, George & Glenda Jeffries*

“ Jan and Wayne have been our neighbors here in Florida for about 15 years. She was the most kindness lady we know. Always loved going to the beach with her, she was always bubbly, happy, and just a true friend. My grandkids loved her and we will always miss our dear friend and neighbor. Ellie and Tom Truesdale

“ I was a student of Mrs. Linville's at Ninth and O. I remember her kind sweet spirit. She never spoke a harsh word about anyone or anything. And I will forever remember the Dewey Decimal system because of her. Mrs. Linville's light has truly shone on so many people and effected their lives. My thought and prayers are with her family and close friends at this time.
